***BYB Extreme Fighting Series To Feature Mighty Trigon Ring,
Exciting Fighters & Legendary Commentators***

MIAMI, FL – May 12, 2021 – BYB Extreme Fighting Series (BYB) will be bringing audiences an exciting fight card in BYB 5 at **The Fair Expo Center** on **Saturday, May 15th** in Arnold Hall. The doors will open to the public at 6 p.m. and the action will start at 7 p.m. with several preliminary bareknuckle fights airing on BYB Extreme's YouTube Channel, followed by Bareknuckle fights in BYB's mighty TRIGON Ring. The main broadcast will be available on pay-per-view on www.stonefaces.tv at 8 p.m. The excitement includes such fighters as Leo Pla, Carlos Lopez, Pablo Caballero and others.

The BYB Bareknuckle Fighting Series is dedicated to promoting and establishing the sport of bareknuckle fighting, which is similar to regular boxing, except with bare fists. BYB Extreme Fighting Series was established to bring fight fans what they want most, ACTION. BYB Extreme Bareknuckle Brawls are designed to leave decisions to the combatants in the cage, not the judges.

BYB utilizes a patented fighting ring unlike any other used in the industry ensuring confrontation, so fighters cannot hide from the action. This close combat three-sided Triangle cage is known as the **Trigon**. No other ring or cage in the world has angles of less than 90 degrees. With three 60-degree angled corners, the Trigon guarantees 180-degrees of mayhem. BYB Extreme combatants will work to take the action to the center of the cage versus risking getting caught up in one of the Trigon's' tight corners.

The Trigon was created by **DADA 5000**, the godfather of bareknuckle fighting. DADA 5000 is legendary in the industry and a local of Miami, FL, having grown up in Perrine area. From humble beginnings, he has dominated in mixed martial arts. The 6'3" 275 lb. fighter has become an international star, being featured in the Netflix sensation *Dawg Fight* by filmmaker Billy Corben, which allowed the world to see true brawls. Bareknuckle fighting is the next step in the evolution of the fighting world.

"We are excited to be presenting BYB 5. It is incredible to see how the sport continues to gain acknowledgment and popularity. We can't wait to bring audiences the opportunity to attend this event at the fairgrounds. We hope that those who can't attend will tune in on stonefaces.tv," said DADA 5000.

Not only has bareknuckle fighting become popular with boxers and MMA fighters, but many announcers as well. BYB 5 at the Fair Expo Center features four renown announcers. Retired championship fighter **Paulie Malignaggi** will be one of the announcers. Malignaggi held world championships in two weight classes including IBF Junior Welterweight title from 2007 and 2008, and the WBA welterweight title from 2012-13. He is known for his hand speed, boxing agility and athleticism. Also on the broadcast table will be **Dave Ryan**, a play-by-play announcer and reporter from CBS. He previously worked for ESPN and has a well-established broadcasting career. Completing the trio will be **Benny Ricardo**, a former professional football player, who played with the Vikings, Bills, Lions, Chargers and Saints. Ricardo is an NFL and boxing commentator and the only bilingual announcer to have announced network events in English and Spanish. He has worked with ESPN, Fox Sports, Televisa, CBS Sports and many others. The special guest will be **Mike Goldberg**, former WWE, NFL and UFC announcer and commentator.
