About BYB Extreme Fighting Series

BYB Extreme Fighting Series was established to bring fight fans what they want most, ACTION! BYB Extreme Bare-Knuckle Brawls is designed to leave decisions to the combatants in the cage, not the judges. Close combat in BYB's 3-sided Triangle cage, affectionately known as “The Trigon”, just about guarantees that. No other ring or cage in the world has angles of less than 90 degrees. With 60-degree angles, “The Trigon” guarantees 180-degrees of mayhem. BYB Extreme combatants will work to take the action to the center of the cage versus risking getting caught up in one of “The Trigon’s” tight corners.
