Unlike most fight series that have four or up to eight corners, the BYB Extreme Bareknuckle Fighting Series is set in a diamond shape triangular ring called the Trigon, which features three equal sides, 22' in length, creating the smallest ring in combat sports and 180° of absolute mayhem, ensuring confrontation, so the fighters cannot hide from the action.

“We have a great card lined up for BYB 6, our best card yet! Our commentary team is second to none, and we are also coming back to the Seminole Hard Rock Hotel & Casino, allowing us bring our fights to South Florida audiences in a top-rated venue. Everything is lining up for an absolutely exciting show where we will award our first BYB Championship belt and learn who advances to the 185lb championship round at BYB 7 on September 10th,” stated Mike Vazquez, president of BYB Extreme Fighting.

Tickets for BYB 6 Tickets are now on sale through Ticketmaster with packages ranging from \$25 - \$250 and can also be purchased at BYBTickets.com. BYB 6 will be broadcast live on YouTube at **BYBExtreme**.

About BYB Extreme Fighting Series

BYB Extreme Fighting Series was established to bring fight fans what they want most, ACTION! BYB Extreme Bare-Knuckle Brawls is designed to leave decisions to the combatants in the cage, not the judges. Close combat in BYB's 3-sided Triangle cage, affectionately known as "The Trigon", just about guarantees that. No other ring or cage in the world has angles of less than 90 degrees. With 60-degree angles, "The Trigon" guarantees 180-degrees of mayhem. BYB Extreme combatants will work to take the action to the center of the cage versus risking getting caught up in one of 'The Trigon's' tight corners. BYB Extreme Fighting Series is taking Bareknuckle Brawling into the 21st and even the 22nd centuries, not back to the 1800's. Let's Brawl.
