**MIAMI, FL (OCTOBER 6, 2021)** – BYB Extreme Bareknuckle Fight Series president Mike Vazquez announced today that BYB 8 will take place Saturday, December 18 in Miami, Florida. The card will feature BYB Lightweight Champion Patricia Juarez (1-0), Desmond "Predator" Green (1-0) and Christine "Knuckles" Stanley (2-1).

Green is coming off an impressive bareknuckle debut at September's BYB 7 with a first-round TKO against veteran Jeff Chiffens. Juarez defeated Stanley in a 7-round decision for the BYB Lightweight Championship at BYB 6 in July, the longest match in women's bareknuckle history and widely considered the fight of the night. Stanley and Juarez will fight separate bouts at BYB 8 with the winners meeting for the title in 2022.

Vazquez and matchmaker Mel Valenzuela finalized 3-fight deals with Green, JD "Berzerker" Burns (2-0), and Sam "Caveman" Liera (2-0), and 2-fight deals with Stanley and professional boxer and world champion kickboxer Kallia "Pink Tyson" Kourouni.

Says Valenzuela, "With each card, our competition gets stronger and stronger. We pride ourselves on not only securing the best fighters world, but booking the most exciting and competitive matches in all of combat sports."

In addition to the signings and event date, Vazquez announced that BYB will be working with Green in supporting his efforts with the Young Tigers Foundation, a non-profit organization dedicated to preventing juvenile delinquency by providing at-risk youth structure and discipline through combat sport training.

**About BYB Extreme Fighting Series**

*BYB Extreme Fighting Series was established in 2014 to bring fight fans what they want most, ACTION! BYB Extreme Bareknuckle Brawls are designed to leave decisions in the hands of the fighters and not the judges. BYB Extreme is the originator of backyard brawls and responsible for bringing it to a global audience, as well as the creators of the mighty "Trigon" ring, which is like no other ring or cage in the world with angles of less than 90 degrees, ensuring close combat. The innovative 3-sided triangle ring has three 60-degree angles, guaranteeing 180-degrees of mayhem! BYB Extreme fighters work to take the action to the center of the ring versus rather than risk getting caught up in one of "The Trigon's" tight corners, the tightest in combat sports.*
