About BYB Extreme Fighting Series

BYB Extreme Fighting Series was established in 2014 to bring fight fans what they want most, ACTION! BYB Extreme Bareknuckle Brawls are designed to leave decisions in the hands of the fighters and not the judges. BYB Extreme is the originator of backyard brawls and responsible for bringing it to a global audience, as well as the creators of the mighty “Trigon” ring, which is like no other ring or cage in the world with angles of less than 90 degrees, ensuring close combat. The innovative 3-sided triangle ring has three 60-degree angles, guaranteeing 180-degrees of mayhem! BYB Extreme fighters work to take the action to the center of the ring versus rather than risk getting caught up in one of “The Trigon’s” tight corners, the tightest in combat sports.
