Biloxi, MS – BYB Extreme Bare Knuckle Fighting Series and the patented mighty Trigon will make its Mississippi debut on Saturday, May 28 at the Mississippi Coast Coliseum for BYB X: Biloxi Brawl. The 10-fight card's main event will pit local fighter **Monica Medina** against champion **Paty Jaurez** for the BYB Women's Lightweight title. Multi-discipline fighter **Lorawnt-T Nelson** will take on the UK's hard-hitting **Ricardo Franco** in a continuation of BYB and BKB's talent exchange, and southpaw **Spencer Ruggeri** takes on undefeated pro and bare knuckle boxer **Mark Irwin**. More fights to be announced shortly.

Said BYB President Mike Vazquez, "Over the past year, BYB has put on some of the most exciting events in all of sports. Anyone who's seen our events in-person or streaming live can attest to that. As we mark our tenth featured event, we are thrilled to expand our footprint into new markets and continue to feature some of the most competitive matchups and talented fighters in combat sports."

The Trigon was designed to promote confrontation in the center of the ring, leaving the results in the hands of the fighters and not the judges. Being the smallest ring with the tightest corners, the patented design has resulted in the highest KO/TKO rate in combat sports with over 90%.

Originating in South Florida with backyard legend Dada 5000, BYB has put together the top competition in the growing sport of bare knuckle as well as a support team consisting of some of the biggest and most respected names in combat sports, including **Nelson Sweglar** – Executive Producer WWF/WrestleMania; **Al Bernstein** – SHOWTIME Boxing; **Mike Goldberg** – UFC / Bellator; **Paulie Malignaggi** – 2x World Champion & SHOWTIME Boxing; **Claudia Trejos** – ESPN, DAZN; Benny Ricardo – CBS Sports; and **Dave Ryan** - ESPN.
