Visit BYBtickets.com to reserve your spot now. Doors open at 2 PM local time; fists fly at 3 PM. Broadcast begins at 10 AM ET in the US.

MIAMI, FL – BYB Extreme Bare Knuckle Fighting Series is proud to announce tickets for its first-ever UK show, BYB 12: London Brawl are now available on bybtickets.com.

This past November, the US-based BYB and UK-based BKB announced a talent exchange and partnership that culminated in a series of high-intensity, cross-promotional bouts at each of the organizations' past several shows. October 16 marks the first standalone show by either promotion in the other's backyard.

Said BYB President Mike Vazquez, "The October BYB 12 show is the latest in how BYB and BKB have been working tirelessly to bring bare knuckle boxing to global, mainstream prominence. I once again can't stress the value of our partnership, the mutual respect between our organizations, and the standards that we hold each other to in terms of how we treat our fighters and our fans. It's because of the strength of this relationship and the vision of all involved that we are able to announce this and future shows that includes a forthcoming BKB show in Florida."

BYB co-founder and street fighting legend Dada 5000 added, "London has never seen anything like the mighty Trigon, the smallest fighting area in combat sports. Just like the backyard, there's nowhere to run, and we guarantee non-stop action. Like I always say, regardless of the matchups, in BYB, the real winners are the fans. I can't be more excited about bringing our one-of-a-kind action across the pond."

About BYB

BYB Extreme Bare Knuckle Fighting Series and the patented mighty Trigon will make its UK debut on Sunday, October 16 at 3 PM at the Indigo at the O2 with BYB 12: London Brawl.

BYB Extreme Fighting Series was established to bring fight fans what they want most, ACTION! BYB Extreme Bare-Knuckle Brawl is designed to leave decisions to the combatants in the ring, not the judges. Close combat in BYB's 3-sided Triangle ring, affectionately known as "The Trigon," just about guarantees that. No other ring or cage in the world has angles of less than 90 degrees. With 60-degree angles, "The Trigon" guarantees 180-degrees of mayhem. For more information visit bybextreme.com, Facebook @bybextremefightingseries, Twitter, Instagram, and YouTube at @bybextreme.
